CALFED
BAY-DELTA
PROGRAM

Draft EIS/EIR Orientation Session

FRIDAY, APRIL 3, 1998

9 A.M. TO NOON

SACRAMENTO CONVENTION CENTER

1400 J STREET, ROOM 203

What Is It?

The CALFED Bay-Delta Program will hold a three-hour intensive orientation session on its recently released draft programmatic Environmental Impact Statement/ Environmental Impact Report. Program staff who prepared the draft document will go over the contents of the main document and its appendices, focusing on the Phase II Interim Report, the decision process, and the process for obtaining and incorporating public comments.

This is not a public hearing.

Who Should Attend?*

The orientation session is for the public. It is intended to provide an opportunity for those interested in participating in the public comment process to become familiar with the contents of the draft document and ask any questions they may have. The orientation session will not cover basic Program information, however, this can be obtained by calling CALFED at 800-700-5752 or visiting its web site at <http://calfed.ca.gov>.

Want More Information?

Call 800-900-3587 with questions about the EIS/EIR or to obtain available documents. An executive summary of the draft programmatic EIS/EIR and the Phase II Interim Report, which describes the technical analysis completed to date as well as the decision process for choosing a preferred alternative, are available on the CALFED web site.

**If you are unable to attend, you can request an audio tape of the meeting by calling 800-700-5752.*
